Getting some last minute pointers from Lions John Huberdeau and John Kaminski are Bike-a-thon participants the Hon. Dr. J. W. Grant MacEwan, Ray Gibbon, Ernie Jamison and Keith Everitt.

Spring inventory week - Time for action

St. Albert Breakfast Lions under chairman Ed Duneck have been hard at work on arrangements for the spring clean-up campaign they are spearheading from May 2-8.

The purpose of "Spring Inventory Week" is to promote the clean-up of family and business premises, and

Sing-a-Night

The 120 member St. Albert Pitch and Spice Singers will present their "Sing-a-Night," Friday, April 30 at 8 p.m. and Sunday, May 2 at 8:30 p.m. at George Simpson Junior high gymnasium.

Under the direction of Father U. Duchesneau the group has planned an exciting program included in which will be songs to please people of all ages.

Tickets at the door.

the enterprising Lions will turn one aspect of the campaign to a secondary advantage of all. Un-needed articles which might be useful to someone else will be sold by auction later, with proceeds earmarked for Lions community work.

A door-to-door pick up by the Lions, Cubs and Scouts will relieve the householders of such "no long need" articles. For residents on the West side of the highway, including Mission area the pick-up date is May 8. On the East side of the highway pick-up will be May 15.

The town is assisting the campaign by looking after the refuse and garbage aspect. This will be picked up by town garbage trucks on regular routes during the week. The engineering de-

partment requests citizens to place their clean-up garbage on the boulevard, the morning of their regular pick-up.

Cubs and Scouts will look after pick up of pop bottles and paper on Saturday, May 8.

Council hears appeal on parking regulations

Mr. Ken Polton of St. Albert Sportshop Limited appeared before council April 19 in support of the firm's appeal from a decision of the town's development control officer. On motion by Cr. de Bruijn, Cr. White was excused from the discussion and voting on this appeal.

The appeal concerned parking requirements for a proposed 42' x 60' one-story building of concrete block construction with antique brick front, at 16 Perron street. Space at the rear of the building could provide five parking stalls, but according to town regulations 12 stalls are required.

"This is a fill-in lot and the only downtown lot suitable," said Mr. Polton. We feel the ruling is unfair to the present owner, who has been paying taxes for 20 years. It is also imperative that we receive an answer quickly, since falling this, we will have to look for other property, and we are preparing to open in September."

"We could reach the point where nobody could park on Perron street," said Cr. Lukay. Cr. Kambooroff observed that "if we enforce two-hour parking, the office people will have to move off Perron." Planner Woodroffe

Councillor Lukay fights land exchange proposed in Grandin Park

In a written memorandum of three pages, Councillor Lukay "implored" council at their meeting April 19, not to go through with the proposed land exchange in Grandin Park with St. Albert Development Ltd., insofar as the 2.2 acres of public reserve is concerned.

"This exchange must not take place, because the land the town would be receiving is already town-owned land, says the memo, "and if such an exchange is affected, the town and council will in fact be gifting the new owners of Grandin Shoppers Park with about \$120,000 worth of commercial land."

Cr. Lukay's memo expressed his deep concern with Clause #2 of the Settlement Agreement between the town and St. Albert Development dated May 11, 1968. This clause states in

part "the town agrees in principle to convey an as yet undescribed portion of land to the WEST of the shopping centre to Grandin Shoppers Park Limited; and St. Albert Development Limited agree to convey to the town the community centre lot. "For reasons unknown to me the owners of Grandin Shoppers Park interpret this to be parkland SOUTH of the shopping centre. Even though the solicitor chooses to be quite vague about this, I wish to emphasize that the agreement as it was understood by council who ratified the agreement in May 1968, is the proper and only interpretation. The present interpretation is nothing more than a convoluted maneuvering of the agreement over the years, to the benefit of the other party."

Clause 5 of the agreement also raised serious questions according to Councillor Lukay. The clause provided in part that St. Albert Development shall convey a C3 lot on the southern end of Grandin Road, Some six to eight months

later, council and staff, completely satisfied that this property was owned by the town, as a result of the agreement, chose to rezone it residential and sell it. Only when the town was prepared to accept an offer for this land, was it brought to council's attention that

Teachers-Board reach settlement

In a joint release the ATA and Board of Trustees, St. Albert Protestant Separate school district, announce an agreement has been reached in the current salary negotiations.

In addition to a number of minor changes and additional fringe benefits the new contract will provide an approximate 6.5 per cent increase for the district's 134 teachers, adding an estimated \$70,000 to the payroll.

Speaking for the board, trustee Jim Wilshire expressed the board's appreciation of the teachers attitude during the negotiations which, he said, was "excellent and highly professional."

Sturgeon on water level well below 1948

While the water level of the Sturgeon River in St. Albert during the spring run-off reached over twice the volume of last year, it was no where near the 1948 record, when extensive flooding occurred. In that year heavy rainfalls, coming just after the run-off peak was reached, aggravated the situation.

Measured in cubic feet

per second at the Perron street bridge, the peak figures show, in round figures: April 1971, 1700 cfs; April 1970, 800 cfs; 1955, 1000 cfs and May 7, 1948, 3000 cfs.

Peak flow in St. Albert this year was recorded early Monday morning, April 26 by staff of the water resources division of the provincial government.

Local residents are enjoying the Sturgeon for both the lovely views it affords through the area and the opportunity to get on it a variety of canoes and boats. Photo taken Monday shows the area between the Perron street and highway bridges.

Flash!

Dr. Timothy C. Byrne has been appointed President of the new Athabasca University, effective May 1st. The 64-year-old Canadian has been in the education field throughout his career, and is deputy minister of Education. Announcement of the appointment was released this morning by the governing authority of the University.

Dr. M. Kristjanson was chairman of the Presidential Selection Committee and serving with him were Dr. H. Kreisel, V.P. academic, U. of A., Student Trevor Peach, Marilyn Pilkington-Shaw, Dr. Gordon Geldart and Rev. E. Checkland.

The University is expected to open on schedule in the fall of 1973, according to Mr. Richard Fowler, publicity chairman of the Authority.

Councillor Lukay Fights

Continued from Page 1
the property was not town owned.

"The explanation given," says the memo, "was that this portion of the agreement was a mistake. It was also brought to council's attention that, perhaps a week after the ratification of the agreement, a letter from the town solicitor was sent to the town, stating that this error existed. Further, the solicitor stated that he concurred with the error."

Councillor Lukay raised a number of questions on the handling of the settlement agreement by the solicitor and the exact position of the town at present. He requested council to turn down the recommendation of committee April 12 meeting.

Under this recommendation two letters (dated Feb. and April 1971) from the town's solicitors would be received and approved by council. The February letter advised that, pursuant to the Settlement Agreement of 1968 between the Town of St. Albert and St. Albert Development Ltd., the town acknowledges that Grandin Shoppers Park Ltd. is entitled to the land described as lot 30, containing 6.24 acres under the pending replot. (Roughly 2.2, acres of this parcel is the portion which Councillor Lukay objects to including). The

April letter states the firm's opinion that the developer could enforce the fulfillment of this undertaking. He further asked that the town abandon the services of their present solicitor and appoint a new one. This new solicitor should be requested to immediately review the agreement, and the events to date objectively, and recommend to the town the necessary course of action.

Speaking on his memorandum Cr. Lukay said "my concern is that the settlement agreement proposed in 1968 is presently something else. Unfortunately the change is to the detriment of the town. We are getting involved deeper and deeper and in the final analysis we will be sorry" he said. He also repeated his stand that the town should abandon the services of their present lawyer.

"Would you recommend another solicitor?" asked Councillor White. "No," said Lukay, "but the lawyer shifted legal responsibility to the town." Cr. Russell wanted to know if Cr. Lukay had looked through old minutes on the subject. "Yes," was the reply, "and this word 'adjacent' comes in after the settlement was ratified." Mayor Gibbon pointed out that 2.2 acres more or less was allowed to Grandin Shoppers Park with the

idea the town would get back land they didn't own in return. And that it was passed by council that this acreage would be given without arbitration.

"I agree with Cr. Lukay that our solicitor had a moral obligation to tidy things up two or three years ago and did not," said Cr. Russell. Cr. Lukay remarked that "the mechanics were left to the solicitor and were not done, and unfortunately councils do change." "This should have been done while lawyer Geddes was with the firm," said Cr. de Bruijn. There is no doubt that the Clubhouse was built on St. Albert Development land, and this would account for half of the 2.2 acres. There was also an over-dedication." Planner John Woodroffe said he had received a letter from Mr. Kallal indicating a desire to over-dedicate the ravine area, to bring it to class B. "Now he says he did not agree to this overdedication, and this is where the other acre comes from," Mayor Gibbon commented that it had been pointed out to the developer in 1969 that the ravine dedication actually meant nothing to the town.

"Suppose we do consider another solicitor and start all over again with a clear mind on the whole matter. Our solicitor has proved a little sloppy at times," said Councillor Hudson. "There is sufficient land and money

involved to have another solicitor look at it."

"In view of the May 11, 1968 agreement being signed, a new legal opinion would be an exercise in futility," said Mayor Gibbon.

"The fault is not with council, but with the lawyers," said Cr. de Bruijn. "Therefore we should consider Councillor Lukay's motion."

Councillor Lukay noted that doubt was proved when both council and staff reasoned, without knowing the land wasn't the town's. "On that point alone we are justified in getting a new legal opinion," he said. "Let's get answers before swapping land."

However, when all the discussion was over, it appeared the general consensus was that present council is legally committed to the land described as lot 30, containing 6.24 acres being turned over to St. Albert Development Ltd. Vote was 6-1 against Councillor Lukay's motion.

Submitting his play to a producer for the 10th time a would-be playwright fervently declared: "You have no idea how hard I've worked on it, polishing up lines, changing characters around, rearranging scenes and structure."

"What a pity," said the producer glumly, handing the manuscript back to the writer. "All work - and no play."

Council hears appeal

Continued from Page 1

required to close the lane could be long.

"I recommend you approve the seven stalls, and the idea is to get a parking pool eventually," said Mr. Woodroffe. Mayor Gibbon moved that the development be approved with (1) provision of either an alternative location, with funds provided by the developer for off-street parking as determined by the town engineer or (2) closing of the lane for parking.

Councillor Kambouroff

objected: "With a shortage of downtown owned land, we are asking the developer to provide funds to pave seven stalls - and not telling him which stalls." "I think we should close the lane," said the mayor, "the developer prefers parking near his place." Mr. Maandag would like to see the crossing on Perron street taken out, which would allow additional parking on Perron. The motion carried 5-1 with Cr. Kambouroff opposed. (Cost of paving the extra parking area will be approximately \$1,260 to the developers).

Pellet shooting course offers a lifetime fun

Ian Skogstad, a member of the Alberta Provincial Rifle Association, is conducting a pellet shooting course for young people under 15 years, members of the St. Albert United Church

Youth Group. The course teaches the boys and girls how to handle a rifle, with emphasis on safety, and also introduces them to the sport of target shooting.

The use of air pellet rifles

has the advantage that a shooting range is not required, and the course is being held at the gym in Sir George Simpson school.

This type of group rifle instruction is the idea of an American voluntary organization called "Lifetime Sports Education Project" who were invited to Banff last October by the Alberta

Government.

Instructors are trained under the auspices of the APRA who conduct clinics for the purpose. An Edmonton Regional Clinic was held April 24 - 25. A number of schools in the province have set up programs as well as organizations such as the Calgary Recreation Department and some YMCA groups.

The rifled, highly-accurate pellet guns offer a real challenge to marksmen, plus the opportunity to learn proper and safe handling of rifles.

Anyone interested in setting up a clinic or further information may get in touch with Mr. Skogstad at 999-4641.

The first provincial pellet gun match will be held June 5 in Calgary when shooters from throughout the province, especially juniors, are expected.

When little Jimmy returned from summer camp, his parents asked him if he had been homesick. "Not me," said the little boy, proudly. "Some of the kids were though - the ones that had dogs."

Who's going to hit the bullseye! Eight youngsters line up under the watchful eye of their instructor, Ian Skogstad. From left: Allan Musto, Harold Lamoureux, Doug Webber, Darrell Tooke, Dana Dyck, Kevin Nixon, Rudi Nixon, Guy Armstrong.

Mother to her teen-age daughter: "You'd better get a haircut. You're beginning to look like a boy."

Many enjoy Hospital Tea

Sunday afternoon was just perfect for visiting and many district residents took the opportunity to meet with friends at the Sturgeon General Hospital Auxiliary tea, held at the St. Albert Community Hall.

Spring was very much in the air at the hall which was decorated with floral designs. Tea tables were centered with fresh tulips.

Guests were welcomed by auxiliary president Mary Campbell, assisted by members of the group.

A bake table, featuring a huge assortment of homemade goodies proved to be a popular spot.

A number of prizes were drawn for during the afternoon. Albert Lesburg, RR 1 St. Albert was the winner of the \$25 voucher, courtesy

the C of C. A lovely floral arrangement was won by Maureen Savole, RR 1, St. Albert. A pair of stuffed hippos was won by Zelda Purdon, 43 Gladstone Crescent, St. Albert.

The tickets were drawn by Miss Alice Ross.

New hall draws large turnout

The second dance by the Villeneuve Hall Board again drew a capacity crowd last Friday evening. Music by the versatile Satellites with the big beat, kept the dance floor crowded. When the saxophones were put down in favor of the guitars everybody knew what was coming, and within minutes couples from 18 to 80 were out there "doing their own thing." The group had favorites for everybody, with a repertoire well suited to the mixed crowd of young people, middle-agers and old timers. Vocalists Brian Klak and George Soetaert are a fine asset to the band.

Emcee was Emile Soetaert who welcomed the crowd and expressed the appreciation of the Hall

Board and Community League for the large turnout in support of the new hall. "We hope to have more of these evenings," he said.

Mr. Soetaert also officially recognized some distinguished guests, including Councillor Stan Walker of MD Division 4, M.L.A. Keith Everitt, Ernie Jamison, candidate for a future M.L.A., Mr. Gurving, manager of the Bank of Montreal in St. Albert and Mayor Ed Savoie of Villeneuve. He had also a special word of welcome for Mr. and Mrs. Nelson, from Lloydminster.

The door prizes, two sides of pork, were donated by people in the community and Gerald Soetaert was asked to make the draws. The first lucky ticket he handed to Emile - was that of the emcee's own daughter, Elaine, which drew some good-natured boos. Gene Magenot of Edmonton was the other winner.

Meanwhile, back on the sidelines, members of the Villeneuve Mens Football club were busily filling up four mountain D boards and winners were Les Dutton, Phyllis Cohart, John Martel and Les Dutton again.

In addition to keeping trays of snacks on the go throughout the evening, the hard-working gals of the community served up a fine lunch at the end of the evening.

Women are divided into two main classes: those who don't believe everything their husbands tell them, and those who haven't any husbands.

Said the husband, sadly: "My wife and I had some words last night, but I never got to use mine."

ground water under a preliminary permit before applying for a license to divert and use the ground water.

Hon. Mr. Taylor must be congratulated on his stand to now allow drivers the chance to earn "merit" points. Mr. Taylor on a number of occasions has stated - Lets be for something instead of always against. Under the new proposal a driver can, before he collects 14 demerits, take the Canadian Safety Council defensive driving course or attend and receive a good report from the Alberta Safety Council drivers clinic

Continued on page 5

Spring Clean-Up Campaign

Reports from the Legislature

by Hugh Horner (PC)

McKay Petition

The committee on Privileges and Elections of the Alberta Legislature investigated two issues relating to the Petition of Fort Chipewyan trapper, Noel McKay - the question of the disclosure of confidential information by Health Minister Henderson and the question of whether Peter Lougheed misled the Legislature in presenting Noel McKay's Petition. In reviewing this situation - two actions have been involved - the disclosure of the confidential information by Henderson (with the Conservative reaction) - and then the Social Credit counter-attack in an attempt to cloud the basic issue.

The disclosure of confidential information about a private citizen brings up essential issues about the operation of government in Alberta, in relation to the protection of the privacy of individuals. This action also seriously affects the right of an individual to petition the Legislature without the threat of intimidation or personal attack upon him by the government he is petitioning.

The counter-attack in the form of personal attacks on the Leader of the Conservative Party has drastically changed the nature of party politics in Alberta. Social Credit - since the departure of Ernest Manning - seems to feel that issues of

principle can be avoided by initiating personal (and often unfounded) attacks on those with opposing views.

Although both actions have arisen out of the Petition of Noel McKay - they are distinct and should have been dealt with separately.

1. The implications of the Social Credit health minister releasing health, welfare and income records of a private individual - in an attempt to discredit that person's petition to the Legislature - are very great.

The provincial government has extensive information, including driving records, health records, education records for all citizens and much more information in many other areas about many other citizens. It is a very serious situation if Albertans cannot be assured that these will not be released for public information whenever it suits a politician.

The minister involved stated that he has no intention of apologizing for his action or withdrawing the disclosed information from the record. But more serious was the defense of this action by the government. One Social Credit cabinet minister stated that if a person injects himself into a debate in order to sway the ministers' thinking about an issue - he must expect that all "facts and data" will be investigated. Another min-

ister stated that he might very well have handled the situation in a similar manner.

It is interesting that Social Credit have continually insisted on keeping information about large and powerful corporation private - but do not appear to have the same concern for the information they have about a 65 year old trapper from Fort Chipewyan.

There was no need for the Social Credit health minister to disclose government records on Noel McKay. It would be proper for Social Credit to challenge Mr. McKay's point of view about the Bennett Dam and its impact on the Athabasca Delta. But it is totally irrelevant whether Mr. McKay is now making his living from trapping. He has made his living from trapping - he still has his trap line and does trap occasionally. Mr. McKay as a citizen of Fort Chip is naturally concerned about the Delta situation and he states that he is speaking the views of many trappers and citizens of the area.

This kind of witch-hunt was a totally unnecessary and very unfortunate action. The right of a person to petition the Legislature without threat of intimidation has been seriously threatened. What citizen would want to present a point of view when this kind of action can be taken against him.

And most important - what guarantee does any citizen of Alberta have that at any time government files cannot be used against him at the whim of a politician?

2. The major Social Credit response to the Conservative Party challenge of the disclosure of Noel McKay's records was to initiate a personal attack on Peter Lougheed. Instead of dealing with the important issue of protecting the privacy of government records on individuals - Social Credit have attempted to cloud the issue by an unfounded attack on Mr. Lougheed.

Among the charges - he deliberately misled the Legislature - Noel McKay was used for political gain and was conned into submitting the Petition.

Mr. McKay initially approached Mr. Lougheed to do something for the residents of Fort Chipewyan. This initiative by Mr. McKay was witnessed by two reporters accompanying Mr. Lougheed on his northern trip. The Petition used Mr. McKay's own words - it was not written for him. Mr. McKay sticks by what he said in the Petition. This man was not used or conned - he had

a point of view to express and the most effective means available (the petition) was used to present this point of view.

Apparently the only example of misleading the House that Social Credit can find is that at one point Mr. Lougheed said that Mr. McKay is making a living out of the Delta (instead of stating that he used to make a living). The fact is that Mr. McKay still traps, but that last year he had a net loss out of his trapping - spending more than he made. Because of this he has no income from trapping. But Noel McKay has trapped since 1915 - and is a trapper, which even Social Credit agree with. To suggest this issue of semantics that Mr. Lougheed deliberately misled the House and that an impropriety is involved is absolutely ridiculous. This desperate attempt to fabricate a phoney issue is an inexcusable way of avoiding an important issue.

by Keith Everitt (SC)

Well its about time, but this last week we made some very substantial progress in the Legislature. A number of Bills have now been given second reading and some have received agreement on clause by clause.

One Bill, the Brand Act, may give our farmers some concern, as I'll admit it seems somewhat dictatorial, also somewhat harsh, however I say to my farmer friends, don't get all worked up over this Bill until you've studied it from all angles. Oh yes there is a section which allows police officers or brand inspectors

the right to enter your premises and inspect your herd without a search warrant, but don't forget over 500 head of livestock were returned to their rightful owners last year.

For those who have developed a habit of picking up livestock this legislation will not be popular and predictions are that rustling will certainly be on the increase.

There are a number of technical amendments to the Water Resources Act introduced last week. It will be mandatory to complete an exploration program for

Elaine Lisa Cara Wandler, 6, daughter of Mr. and Mrs. C. Wandler of 52 Gordon Crescent, displays the House of Books perpetual trophy and replica, the most recent of many trophies won by this talented young dancer. A student of the Marg Blakney Highland dance school, Edmonton, Elaine has been dancing for four years. Elaine competed in the Alberta dance festival held in Lethbridge last month where she received top marks of 81 in the Highland and Irish segment of the festival, for dancers six years and under. This included the Sean Triubhas, Irish Jig, Sword Dance, Sailors Hornpipe and Highland Fling. Elaine also placed first in the National Dance, the Scottish Lilt.

Morinville council hears delegations

Morinville town council met with representatives from AGT at their April 13 meeting when the proposed underground conduit system was discussed. Council was informed that AGT have no objection to installing the system on the centre of Laval avenue, that in fact this would be more acceptable to them than building the conduit in the ditch. AGT will submit a new plan showing the re-alignment of the conduit. A profile and as-built plan will be supplied to the town upon completion of the project. The work will be done in the fall of this year.

Approval of Federated Pipe Lines crossing sewer ditch was tabled until a later date.

Town council agreed to co-operate with the local Board of Trade in their annual clean-up campaign. Council felt this would be an opportune time to dispose of the old car wrecks that are located in various areas of the town.

Council met with a delegation from Emergency Measures Organization who are planning a series of activities on May 17, 18 and 19 to promote EMO in the town. After reviewing the draft agreement of the proposed Sturgeon Regional Recreation Council, Morinville town council passed a motion

indicating that it does not favor a regional recreation council at this time. Certain deficiencies in the street curb and gutter construction have come to the attention of council. A report was presented on this matter by two of the town councillors who inspected streets, accompanied by an engineer.

A letter was received from the chief engineer, provincial department of public works regarding the estimates for sewer and water service to the highway maintenance yard. Mayor Stapleton will be meeting with the DPW staff to further discuss this matter.

Correspondence was received from AES Ltd. advising that the cost of repairing the broken sewer service pipe on Cartier street should be split between the town and the contractor. This letter was tabled to a special meeting of council.

A letter was received from Premier Strom regarding the Ecology Corps project. Council felt that the town could participate in this project and the mayor will

Mothers day out program starts next Month

Mothers of pre-schoolers how would you like a day off, all to yourself?

A group of volunteer women have established a Mothers'-Day-Out program sponsored by the St. Albert Help Society.

It is open to all mothers in St. Albert who would like someone to look after a pre-school child or children, while the mothers take Thursday off to do their thing!

The program starts May 6 and will be held each Thursday in the United Church basement, which the church has kindly donated. The cost is 50 cents per child, per day. The program runs from 9 a.m. to 3:30 p.m. to coincide with bus schedules. The children will be given arts and crafts to keep them busy and lunch is provided.

space available. Those wishing to book in children are asked to do so by the Tuesday before they intend to use the service. For example, bookings must be made by May 4 for the opening day of the program, May 6.

Call Mrs. Hilda White, 599-6880 or Mrs. Linda Kuzs 599-8952 for reservations. The organizers would be most grateful for donations of bassinets, cribs, play pens, high chairs, blankets and toys.

Legion to hear report on new building

By Wally Swenarchuk

Members of the St. Albert Legion will receive a feasibility study report on the proposed new Legion building, to be constructed on the present site. Stan Hodgson, of the firm Aberdeen, Groves and Hodgson will present the report at a general meeting to be held at the Legion Hall, Monday, May 3 at 8 p.m.

If the architect's recommendations are accepted and financing arrangements finalized, construction could start in the near future.

Past attendance at Legion functions has been very high and demands continue for larger and better accommodation. The executive has seen evidence of strong support for a new branch building.

The entertainment and ways and means committees have not been idle and continue to organize functions every Saturday. Friday, April 30 will see the return of the Pig and Whistle Night

The stern father confronted his daughter at breakfast one morning. "I saw you kissing a boy in a car last night," he said. "Who was it?" "What color of car?" she asked.

seek further information from the municipal projects director, Alberta Ecology Corps.

A report was received from the mayor and deputy mayor on their investigations towards purchasing a used tractor, front end loader and backhoe through Morinville Savings and Credit Union at a cost of \$3,500. Council approved the purchase of a front end loader and tractor with three point hitch, power take off, backhoe, one snow bucket, one dirt bucket, rear blade and front blade for the above mentioned total cost.

A bingo will be held at the St. Albert Community Hall, Friday, May 14.

If he successfully completes any of these he will receive two "merit" points.

Mr. Taylor noted that of 5,338 drivers collecting eight demerits, only six per cent have gone on to collect 15 points and lose their license - a total of 329.

SPRING INVENTORY WEEK

MAY 2-8

A set of wrenches, door prize donated by Taylor Pearson and Carson, is being presented to Mr. and Mrs. Art Franche of St. Albert. Making the presentation is New Holland manager Everett Tremper. The store held its grand opening last weekend.

Goings on at Paul Kane

By Holly Hill

BASEBALL

Paul Kane girls had their first try-out under the expert coaching of Wayne Biggs Monday. There was a good turn out of interested girls, but if any others would like to join they are welcome.

WOMEN'S LIB

PK's girls have asserted their rights with regard to use of the gym at noon. Up until last week the gym had been used almost entirely by the boys. Now the girls can use the gym for volleyball, basketball or any other organized activity. This privilege will only last as long as there are enough girls turning out. Any girls that would like to play, bring your gym clothes on Tuesdays and Thursdays.

GRAD

Tickets went on sale last Tuesday for this year's grad banquet and dance. It will be held in the Crystal Room at the Edmonton Inn, May 29. Activities start at 8:30 p.m., with grad presentations, supper, which is smorgasbord style; and dancing until 12 p.m. Tickets are \$5.50 each. This is

open to grades 10, 11 and 12 of Paul Kane and St. Albert High. Dress is formal or semi-formal.

CHEERLEADERS

Paul Kane cheerleaders have been invited to Montana State University in Bozeman, Montana, by the National Cheerleading Association. There the girls will attend a four-day cheering clinic, from July 19 to 23.

They will be housed on campus in Hedges Northridge residence dormitory. The staff consists of trainees selected by Mr. L. R. Herkimer of Dallas.

The girls will have indoor and outdoor classes. Their training will consist of lectures as well as practical experience. They will be taught new yells, crowd management, novelty yells, cheer motion, pep rallies and much, much more. There will be daily evaluation and awards presented to the top squad of each day and of the week.

But it won't be all work as there are many enjoyable activities planned for the girls to take part in after supper.

Paul Kane is very proud of being able to have these girls represent the school in Montana, so let's get behind their fund raising activities and support them all the way.

By Annie Edwards

Saturday, April 17 proved to be a most interesting day for a pack of Brownies from St. Albert and their guest who spent several hours touring a poultry farm, beef ranch, a school zoo, and hog ranch in the Busby area. Several of the children had never seen farm animals, much less held them.

This event was made possible through the courtesy of the farmers and the Busby school principal.

The Brownies started off their day by touring the Van den Born poultry farm where they saw 3,500 small chicks, "nearly the same number of hens and great quantities of eggs. The youngsters moved freely around the farm and were encouraged to ask questions and seemingly loved the hustle and bustle and noise of the farm.

A wiener and marshmallow roast was held in the farm yard.

Later in the day the group visited the Hereford ranch run by the Edwards brothers and son. Here they saw new born calves, cows and huge bulls. The children liked the little calves, especially those that were having their lunch; they shied away from the bulls, though.

From there the group drove to the Busby school and had a field day holding the various pets which the school principal, Mr. Richard Thomas, has in his classroom. The collection includes a variety of rats, chinchillas, guinea pigs, hamsters, mice, a large variety of fish, a land turtle and a Mexican iguana.

Next on the program was a visit to the Feslik ranch where the group was introduced to hogs and Black Angus cattle.

The baby pigs were a real favorite here, until they started to squeal. The group took a ride on a flat-rack, pulled by a tractor, and rode down to view the Angus calves and their mothers. A

One woman's definition of retirement: "Twice as much husband on half as much money."

small calf with a broken leg, which is mending nicely was a real hit with the girls. They watched in awe while a big dog named Dan per-

formed his chores and rounded up a cow which was outside the corral, guiding her back with the others.

The group obviously en-

joyed their day in the country and the farmers and school principal enjoyed showing the youngsters around.

WELCOMES

MARSHALL HILL

Mr. B. L. Montpetit, President of Bermont Dev. & Realty Ltd. is pleased to announce that Marshall Hill has joined our Sales staff. Marshall has many years of Real Estate Sales and Custom Building experience. He is looking forward to serving friends and clients on any Real Estate problems.

CALL MARSHALL AT -- 599-7786

BERMONT
DEVELOPMENT & REALTY LTD.
"OUR REPUTATION IS YOUR SAFEGUARD"

It may be much easier than you think to afford a new Pontiac. Because this year there are bargain-priced models in all four Pontiac sizes.

Pocket-size Ventura is our newest Pontiac and our smallest—at Pontiac's smallest price. Now small car lovers can join the Pontiac family.

Trim-size T-37 is so cost conscious, 85% of North American cars cost more than its trimmest price*!

Full-size Laurentian, the lowest-priced big Pontiac, gives you features such as a

dent-resistant grille divider you just can't get on other cars.

Sport-size Firebird is our basic sports car—if you consider a car as exciting as our lowest-priced Firebird a basic anything.

Size up the '71 Pontiac that fits your needs and your budget.

Do it today—at your Pontiac dealer's.

*Based on published manufacturers' suggested retail prices compared with T-37 Pillar Coupe.

Don't forget to buckle up for safety.

Some of the equipment illustrated or described is optional at extra cost.

You may win up to
\$30,000

Ask for full details at your participating Pontiac dealer's.

You can enter GM's MONEYMILES SWEEPSTAKES if you're 16 or over and have a valid driver's license. You don't have to buy a thing. Entries must be in by May 31, 1971.

Sports

Soccer coaches

Soccer coaches are urgently required in the pee wee division (11 - 12 age) in the Hercules Soccer Association.

Interested coaches are asked to contact Geoff Williams at 599-4907 so that the boys will be able to participate.

A large turn-out of some 200 adults and juniors turned out Monday evening for annual registration in the St. Albert Tennis Club. Membership and instruction registrations were taken.

Date for the opening senior tournament was set for Sunday, May 16, when play will get underway at 1:30.

This will be a novelty doubles where partners will be drawn and changed continuously throughout the afternoon so that all levels of ability are welcome. A

social gathering will follow the tournament. New members may join on this day also.

The election of the officials for 1971 took place on the previous Monday at the annual general meeting. The club president for 1971 is Frank Carnahan, vice-president is Mr. Clark Warren. The treasurer - Mr. Fraser Fairweather, the secretary Mrs. Sheila Fairweather. Tournament captains are Mr. Dave Kirk and Mr. Fred Rudolph.

Instructors for this season's tennis lessons are Judy Wood, Frank Carnahan, Bernice Parsons, Dale Jackson and Dave Kirk, and lessons begin on May 3.

Members of the public are requested to note the times that lessons are being held and avoid these times as the classes are full and generally require the use of all four courts.

The presidents report for 1970 was given by Mr. Clark Warren and the secretaries minutes by Mrs. June Raven.

John Kambouroff flexing the wrists as he gets ready for the first round of the season at Sturgeon Valley golf course. A good many young fellows coming up will be giving over-thirties a run for their money on the fairways.

Mrs. Kay Hopkins bids farewell to John Field last Saturday following the St. Albert Hercules Invitational Basketball tournament. Mr. Field, coached youth basketball in St. Albert the past three years and his work with the youths will be greatly missed.

St. Albert Bowlers win

The provincial finals of the Folks and Kids bowling competition, sponsored by the Western Canada Youth Bowling Association, saw a large number of parents and children from all corners of the province battle it out at Bonnie Doon lanes in Edmonton.

St. Albert was represented by seven parents and kids of which James Boslak, playing with his father succeeded in obtaining the provincial championship in the junior boys class.

The youth bowlers of St. Albert have had most successful season entering no fewer than eight major bowling tournaments, not once returning disappointed. It is even more gratifying, when it was learned that out of 150 youth bowlers

64 different children were taken to these tournaments and that not one child had been left out of a team, regardless of illness, other sports, or other circumstances.

Sturgeon Golf Club opens 1971 season

The Sturgeon Golf and Country Club officially opened last Saturday for the 1971 season. Club-pro Mike Tomash stated the 18 hole par 73 course is in fine shape with all greens being used except 16 and 17 which are not playable as yet due to the Sturgeon River water level.

The front nine is 3,363 yards long and par is 37. This part of the course is situated on the south side of Sturgeon Road and has some good holes for the long ball hitters. It is fairly wide open although the planted trees are getting taller each year.

The back nine, par 36 over 3,214 yards, has been carved out of a very pretty wooded area and has some excellent holes; especially 11 which is a short par three. There ends the easy going, and a water lagoon bordering the west edge holds many a ball. Holes 16 and 17 follow the Sturgeon River and are well treed. A well stocked club house and a neat and clean snack bar cater to golfers and golf carts and clubs are available for rent at a nominal fee.

Since the club opened in 1962 it has grown to a very respectable membership of some 190 shareholders. Shares can be purchased for \$300 which includes 1971 green fees. Associate memberships are available per family for \$100 or \$85 single. Students 16 and under

can still golf for a flat \$25.00.

Daily green fees have not changed and are \$1.25 for nine or \$2 for 18 during the week with Saturday and Sunday at \$2 for 9 or 18. A limited number of shares are available with reasonable terms and interested parties are asked to contact President Marsh Darling at 477-8823, Mike Tomash at 799-6700 or assistant pro Ralph Strand at 476-4575.

TENNIS LESSONS

The St. Albert Tennis Club has arranged a series of tennis lessons beginning on May 3. Class times are as follows:

MONDAY -	4:30 - 5:30 p.m.	11 and under
TUESDAY -	4:30 - 5:30 p.m.	12 to 14
	6:30 - 7:30 p.m.	Seniors
	7:30 - 8:30 p.m.	Seniors
WEDNESDAY	9:30 - 11:30 a.m.	Housewives
	4:30 - 5:30 p.m.	15 and Over
THURSDAY -	4:30 - 5:30 p.m.	12 to 14
	6:30 - 7:30 p.m.	15 and Over
SATURDAY -	9:30 - 10:30 a.m.	Intermediate
	10:30 - 11:30 a.m.	Advanced

The instructors and their phone numbers are as follows: Judy Wood - 599-8385; Bernice Parsons - 599-3803; Frank Carnahan - 599-8385; Dale Jackson - 599-6361; Dave Kirk - 599-7602.

Class members are requested to phone their instructors in cases of inclement weather. Cold and wind will never postpone a class - the only factors to postpone classes will be rain or wet courts.

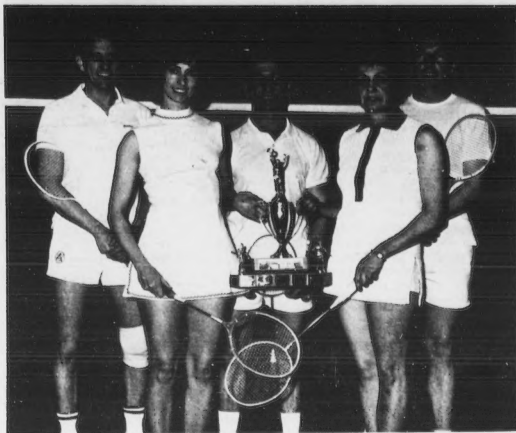

The tennis club has the use of the courts on Monday and Wednesday from 6:00 - 9:00 p.m., and on Sunday from 1:30 to 4:30 p.m. Membership fees are as follows: Juniors - \$2.50, Seniors - \$5.00, Couple - \$7.50, Family - \$10.00. Persons interested in joining the club may contact Fraser Fairweather at 599-7087.

Think a bit about Alberta.
Think a bit about 'Blue'.

Mrs. Kay Hopkins presents the St. Albert Hercules Invitational Basketball trophy to the Central Soccer Club, winners of the bantam grad tournament held at Vital Grandin last Saturday.

NCA Baseball League Meets May 5th

The south division of the North Central Alberta Baseball League are holding a reorganizational meeting in the Morinville Centre on May 4 at 8 p.m.

Teams will be registered and the 1971 schedule will be drawn up at this meeting, so any association or group interested in entering a senior team in the NCA League is urged to have a representative at this meeting. A review of league rules and regulations is also on the agenda.

Secretary Paul Riopel may be reached at 256-3058 after six p.m.

Exhibition Baseball

ST. ALBERT Willowbrook Saints baseball club will play the Northgate Shell Regals this Saturday, May 1, 1971 at 2 P.M. ON THE MISSION PARK Diamond. The same two teams will also play Wednesday, May 5 at 6:15 P.M. Regular practices held each Wednesday.

GRADUATION 1971

It was decided at a meeting of the graduating class that our grad exercises would be held on May 28, 1971. A mass will be held in the Grotto at 4 p.m. The graduating ceremonies will also be held in the Grotto behind the church. Pictures will be taken at the school following the ceremonies. The banquet will be held at the Bonaventure at 7:30 with a dance to follow featuring "the Emeralds" at 9 p.m.

Tickets must be purchased before May 21 for either the banquet or dance as tickets will not be available at the door.

YEARBOOK

After eight months of hard work the yearbook staff have completed the 1970-71 yearbook. This book will be available to the students at the end of June.

PITCH and SPICE Singers Presents a Sing-A-Night

Many times I have been asked just what PITCH and SPICE mean. While today I asked Father about the two singing groups and I thought I would pass the information along - Pitch - People in the Crowd Harmonists; Spice - Spreading Peace in Crowds Everywhere.

Did you know that together these groups have learned 61 new songs (mostly in parts) and that they have performed around 52 times in social concerts and religious programs. Put these two groups together and you have 120 hard working students.

Another bit of information. These two groups will be performing Friday, May 30 at 8 p.m. and Sunday, May 2, 8:30 p.m. at Sir George Simpson.

C.J.D. Implement Ltd. offers complete line of equipment

A complete line of agricultural, lawn and garden equipment is offered at CJD Implement Ltd., located 3/4 mile North of the highway #2 bridge at St. Albert.

John Deere has factories all over the world, except

behind the Iron curtain, and is the biggest seller of farm equipment in the world today. Farmers have come to know and trust the Long Green Line of haying, harvesting and tillage equipment and know it makes

Experienced staff invites inquiries

Manager at CJD Implement Ltd. is Bob Thruen, Mr. Thruen has been with John Deere several years as territory manager prior to being appointed to his present position. The family is buying a new home in St. Albert and will be moving to the town shortly.

Sales manager is Bert Blomme. He farms in the Winterton area and has sold John Deere equipment for eight years. Mr. Blomme is well qualified to help local farmers select machinery suitable to their operation.

Joe Krauskopf looks after

the large parts department, which stocks in excess of \$40,000 worth of parts. Mr. Krauskopf has many years experience and was the J.D. dealer in Morinville prior to joining CJD Implement.

Henry Thiesen is the shop foreman. He has more than 20 years experience in heavy equipment. The shop is equipped to overhaul any tractor made. Working with Henry in the shop is Svend Petersen, who needs little or no introduction in this area. Svend has been connected with John Deere for over 30 years. Both men are licensed mechanics, and are factory trained.

Henry Thiesen and Svend Petersen with a 5020 John Deere diesel tractor, the most powerful standard tractor on the market.

Manager of CJD Implements is Bob Thruen. The firm is located in the Armstrong Auctions building, 3/4 miles north of St. Albert on Highway 2.

good sense to farm with modern John Deere tractors.

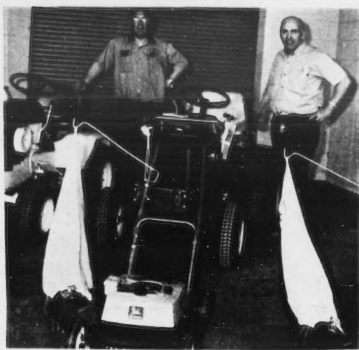

CJD Implement serves all of the St. Albert area, including Morinville, Legal, Spruce Grove and Stony Plain. In addition to a full range of John Deere machines, CJD offers many short line products.

Of special interest to farmers right now is the new line of tractors that have just come on the market, the 4320, 4620 and 7020. For urbanites the spacious showroom features a variety of lawn mowers, rotary tillers, edgers and other lawn and garden equipment.

CJD offers field servicing and the well appointed shop features a complete line of testing equipment. All tractors sold, used or new, are checked out with a dynamometer.

All products come to CJD direct from the factories, resulting in a sizeable saving to the customer.

CJD at present is anxious to talk trade with local farmers as they have very little used equipment on hand. The staff has wide experience in farming, sales and service and will be happy to discuss putting John Deere to work for you.

Shown with some of the John Deere lawn and garden equipment are Bert Blomme and Joe Krauskopf.

you can count on modern heavy-duty
John Deere Standard Tractors

All eyes are on the ball as it is about to drop and count two more points for the winning Central Soccer Club in the St. Albert Hercules Invitational Basketball tournament held last Saturday at Vital Grandin.

Nina Bile, of Grandin Bowl, was a member of the ladies team which won the Western Canada Championship. Bowling over the Easter weekend, the ladies set an all Canadian record for four game block and eight game block.

Local youth bowler equals record

Starting at 12 noon Thursday, April 15, four young bowlers from St. Albert, Kim Popoff, Cheryl Popoff, Fredric Roach and John Humbert commenced bowling at Newton Lanes in an effort to beat the provincial record of bowling 50 hours non stop.

Fred and John, much to the girls delight dropped out after playing only 12 games, Cheryl stopped at 2:30 a.m. on Friday morning after bowling 28 games and Kim bowled until the other bowlers decided that they had had enough. This was just short of the 50 hour record.

Over the 50 hour stint Kim bowled 60 games scored 1,876 and averaged 181.

Tired and very stiff, Kim said she had a grand time, a jolly good practice and looks forward to the next endurance bowl.

Bowling last Saturday at the spring bowling league, Kim scored 211 and 310 for a grand weekly total of 521, which earned her a coffee mug presented by Grandin Bowl.

When I got to thinking about the need for Canadians to participate in politics, I recall what an Italian immigrant once told me: "Ah these Canadians, they don't appreciate democracy because they don't know what it ain't!"

Bob Russell, looking none the less for wear, is congratulated by Lion John Kaminski upon completing the 24 mile Bike-a-thon. Mr. Russell got off to an early start as he had a meeting in the City Saturday morning. Photo by Vic Post.

The Radio Communications Service club was in charge of communications in last Saturday's Lions Bike-a-thon. Paul Tilroe is one of several club members who were on duty throughout the town, ensuring the event went smoothly. Photo by Vic Post.

Lions Marcel Demers and John Kaminski enjoy a ride in this fancy contraption, one of several featured in last Saturday's Bike-a-thon. The fellow doing the pedalling is Jim Maguire. Photo by Vic Post.

Chopsticks may range in length from five to 20 inches. The five-inch ones are for children, and the 20-inch ones are used in cooking or serving.

Bike-a-thon Blurbs

Frank Carnahan entered the Bike-a-thon with a torn leg ligament and pedalled the entire 24 miles with one foot.

Don Labelle, representing the public school trustees, received some nasty bruises early in the bike-a-thon. He never the less completed the entire route.

Most of the trick bicycles did the complete course; even John Walter Watts on his unicycle managed 16 miles.

Sponsor money collected should be deposited at the Bank of Nova Scotia or the St. Albert Credit Union.

Although the number of riders was less than anticipated, sponsorship was high and the St. Albert Breakfast Lions feel that the project could become an annual event.

Mayor Ray Gibbon, after taking a spill in last Saturday's bike-a-thon, stated he may be a candidate for the Pedal Pusher club. He said this after he said

Visitors to the Legislature will note that M.L.A. Keith Everitt is on his feet a lot these last few days.... He, too, completed the 24 mile route through the town.

Lieutenant-Governor Dr. J. W. Grant MacEwan arrived bright and early at the starting point in Lions Park, bike in the trunk of his chauffeur driven limousine.

Several young participants in the bike-a-thon took time out from their official business, and conducted a frog catching expedition in the slough off Edmonton Road.

Guild offers spring classes

The spring classes offered by the St. Albert Arts and Crafts Guild will be commencing the week of May 2. There are some openings in the ceramics for children, teen and adults.

A beginners oil painting class with emphasis on basic design and still life will be taught by Jackie Graff. This would be an ideal class for someone who has always wanted to try oil painting but doesn't know where to begin.

Mike Roy will instruct a class in model aircraft building for boys over seven years of age.

A new course in leathercraft will be offered for teens and adults. This course will cover making leather belts, skirts and mukluks and general use of leather goods.

For more information phone K. Grant at 599-8524 or the recreation department, Town of St. Albert.

Card of Thanks

The Sturgeon General Hospital Auxiliary wishes to thank everyone who helped make their tea such a success. Special thanks to the St. Albert and District Chamber of Commerce

RECREATION Hi-Lites Morinville Memos

FAMILY CAMPING:

If the weather co-operates the next meeting of the St. Albert 69ers Family Camping Club will take the form of a pot-luck supper which will be held at Lions Park on Sunday, May 2 at 4:30 p.m. Sometime during or after the supper there will be a "business meeting."

If, however, the weather decides to misbehave, the supper will be cancelled and a regular meeting will be held (with coffee) at 8 p.m. on the same evening in the library meeting room, through the courtesy of the library board. All families interested in any form of camping are invited to the supper-meeting or the meeting, whichever the case may be.

The club is planning a camp-out at Wabamun National Park for the long weekend in May and the members extend a very cordial invitation to all campers in the St. Albert area to join them for what promises to be a most enjoyable few days. There will be games for the children and the parents, with campfires and sing-songs in the evenings. Come and join the fun.

For further information, contact: Doug and Joyce Foreman (599-4510), Harold and Marion Kay (599-7488) or Del and Herb Brige (599-8290).

FIGURE SKATING:

The St. Albert Figure Skating Club will hold its annual meeting and tea in the basement of the United Church on Saturdays, May 1 at 2 p.m. A special feature will be the showing of the film which was made of the ice revue, "St. Albert Goes Broadway" held in the arena at the end of March.

FOR

RENT

IN

MORINVILLE

Small two bedroom house Modern utilities, Phone -- Morinville 256-3576 days only.

BASEBALL:

Teams and schedules are now almost complete and games start next week. But a few teams are still minus coaches. The baseball program, sponsored by the Lions Club and the Knights of Columbus, is expanding each year - there are more boys but the number of coaches remains more or less the same.

Phone the department of recreation at 599-6601 and say that you are willing to spend a few hours each week in the cause of baseball. The fresh air and exercise will do you a world of good.

HERCULES SOCCER:
There really must be more soccer coaches in St. Albert. Don't be shy. Phone the department of recreation and volunteer your services, otherwise a lot of boys are going to be disappointed. You don't have to be an expert; enthusiasm and an interest in the game will do to begin with. The fields, the boys and the balls are all provided. All that is missing is you.

HERCULES SOFTBALL:
And why should the girls be different? They, too, need coaches for softball! Mother, fathers and big brothers and sisters are particularly asked to lend a hand. And even if you're no one in your family wanting to play, your assistance will be very welcome. Phone the department of recreation if you are willing to help.

JUDO:
Living and working in St. Albert we are indeed lucky to have a gentleman who has not just one black belt, but two! (There'll be more about him next week). Anyone interested in Judo? If so, phone the department of recreation and a class or classes may be arranged.

TENNIS:
The tennis courts are now ready for use. As noted separately in this issue there was an overwhelming response to the tennis less-

Morinville Memos

The Board of Trade will hold their monthly meeting Tuesday, May 4 with Camille Gregoire as convener. The senior officer for the Sturgeon Unit, K. W. McAmmond CPHI(C) is the invited guest speaker. The project committee is expected to give the proposed agenda for the 1971 clean-up campaign. All interested citizens are welcome to join the members for the evening.

Congratulations to Mayor and Mrs. Arthur Stapleton who celebrated their 30th wedding anniversary recently.

Last Thursday, April 22

ons being sponsored by the St. Albert Tennis Club in co-operation with the department of parks and recreation. The times when the club has the use of the courts and the instructional classes are being held are posted on the notice board at the courts.

Under the Joint Use Agreement, the schools are also making irregular use of the courts during the day as part of their physical education programs. So until school is out (towards the end of June) and the courses of lessons are completed (around the middle of June) anyone wishing to play would be wise to phone the department of recreation first to avoid disappointment.

Anyone using the courts is reminded that only tennis or gym shoes are allowed.

Vanier High holds Grad Prom

The graduating class of 1971, Georges P. Vanier high school, were honored guests at a formal banquet and dance held in the Morinville Centre, Saturday, April 24. Tables were centred with floral arrangements and glittering candles. Guests danced in the gaily decorated ballroom to the music of the Hackman orchestra.

There were 93 guests at the banquet, including parents and friends of the students. Renee Leduc, vice president of the students union was master of ceremonies.

The guest speaker was Mayor Art Stapleton, who gave an inspiring talk to the graduating class of 34 students. Others who addressed the gathering were the Rev. G. H. Primeau, Matt Tellier, chairman of the school board, Marcel Schayes, school principal, Wilfrid Fitzpatrick, school administrator and Denis Leduc, president of the students union.

Members of the graduating class and their escorts were introduced at the Grand March that preceded the dance.

After the dance Mr. and Mrs. Schayes entertained the senior students at a party at their Edmonton residence.

a bus load of local Lions, accompanied by their ladies, travelled to Westlock to charter a new Lions Club sponsored by the Morinville Lions.

A sincere expression of sympathy to the members of bereaved families in the district.

On April 8 Miss Josephine Sharris, 26, daughter of Mr. and Mrs. Richard Sharris (Jeanne Verbeek formerly of Morinville) of Eugene, Oregon passed away after a long illness, victim of cancer. Miss Sharris was an RN working with handicapped children. On April 13 her father, Richard Sharris, passed away at the age of 77, after a long illness. A double funeral was held on April 16 in Eugene, where the family have resided for many years. Mrs. Sharris is the sister of Albert and Louis Verbeek of Morinville and Calahou.

On April 19 Marcel Briere 48 of Prince Albert, Sask., brother of Mrs. Bertina Shrum of Morinville passed away suddenly at home. Services were conducted April 22 in Prince Albert.

Members of the committee in charge of arrangements were: Renee Leduc, Charlotte Borie, Connie

Craig, Camille Remillard, Colleen Ring, Anne-Marie Labonte and Elaine Himschoot.

Morinville Credit

Union shows steady progress

The Morinville Savings and Credit Union Ltd. held its 31st annual meeting recently in the Morinville Centre with a very good representation present. The president, Andre Sabourin, reported that 1970 was again a record year for this local branch.

The total membership as at December 31, 1970 now stands at 942 members. The total assets were reported as \$688,000. The net income for 1970, also increased to \$18,192.00. The balance of loans outstanding was \$484,000.00.

The members present voted for a dividend of five per cent, to be paid in shares. The president also stated that the Credit Union would continue to pay eight per cent on term deposits, at least for the present time.

Mr. Sabourin told the meeting that as at January 1, 1971 the Morinville Credit Union had joined the "Credit Union Federation of Alberta." He added that the board felt that this would be a great advantage to the local branch. It would enable the board to benefit from the many services offered and also at the same time

strengthen the Credit Union Movement of Alberta.

The president, in his annual report said he hoped that in 1971, many more new members would join the local credit union and enjoy all the benefits of a modern financial institution.

Maurice Perras, manager of the Morinville Credit Union informed the Gazette that the assets have reached a new high of \$766,000. This is an increase of \$78,000.00 since December 31, 1970.

Members of the local staff include Dolores Calder, Ellen Doering and Rachel Bulger.

All vacancies on the executive have been filled as follows: president, Andre Sabourin, re-elected for another year; J. L. Rousseau, vice president. Elected to the board of directors were Clarence Steffes, Norman Meinler and Dave Bok-enfohr. On the supervisory committee are Henry Chalfoux, (newly elected) Terrance Curtis, Bernard Krawchuk.

The credit committee is no longer elected but appointed by the Board of Directors.

Villeneuve 4-H news

Villeneuve 4-H Beef Club held its annual speak-offs recently. Darrel Kremer placed first with his talk on The Lost Art of Loafing; second place was awarded Debbie Kremer with Women Power; in third place was Elaine Soetaert, speaking on The Adventures in Life. Judges for the evening were Paul Shelemy and Mrs. Gervais.

Morinville Memos

It is now confirmed that the Pelletier farm on the eastern outskirts of Morinville has been purchased by Diamond Investments Ltd. Mayor Art Stapleton stated that outline plans have been approved by council, and when permits have been issued for the first group of houses to be built by the developers, more details on the proposal will be reported.

Congratulations to Mr. and Mrs. Eddie Hachand who welcomed another son, Michel Cyril on April 13. Godparents are Mr. and Mrs. Cyril Sproat of Vancouver, uncle and aunt of the baby.

Congratulations also to Mr. and Mrs. Alvin Dhoest of the district who celebrated their 25 wedding anniversary, on Saturday, April 24 with a social evening in the Morinville Legion Hall, with some 175 guests in attendance.

George Soetaert was the MC for the evening. Allen McDowell presented the couple with a purse on behalf of the friends present and Harry Lemas presented the happy couple with a set of silver cutlery, on behalf of the family.

On Friday, April 23, Morinville ACFCA members hosted the annual regional meeting of the supporters the Franco Albertain and L'Association Canadienne Francophone de L'Alberta, with some 120 representatives in attendance. Matt Teulier was the master of ceremonies and welcomed guests from the region, Morinville, Legal, Vimy and Picardville. Present were the provincial president, Jules Van Brabant from St. Paul and the vice president Paul Denis from Edmonton. The guest speaker was Andre Collin, editor of the Franco Albertain from Edmonton. Roland Tailleux of Morinville was elected president of the regional committee.

Winners of the recent MTR raffle were - first prize: \$35 - David Chaffoux; second prize: \$25 - John Hughes; 3639 - 83 St. Edmonton; third winner: \$15 O'Neill Chevallier.

This weekend the guides and brownies will hold their annual cookie sale in Morinville and district. The cookies are tasty, please receive these little people with a smile.

Thank You

Cliff and Rita Crezler and boys wish to thank neighbors for their help when they had a fire recently. A special thank you to the St. Albert area fire brigade for their speedy reaction the day of the fire. The assistance of neighbors who have since continued to lend a hand with cleaning up is also much appreciated.

R.Q.B. rec. board elects executive

The annual meeting of the RQB recreational society was held Wednesday, April 21 in the music room of the Camilla school.

The proposal to build a kitchen and meeting room facility on to the Camilla school gym was discussed. The meeting carried Joe Sheehan's motion to go ahead with construction. Building and finance committees were appointed.

The meeting re-elected Angus McDowell to the president's post and Betty Kaup was re-elected to serve another term on the board of directors. Also elected directors were Joyce Stevens and Jack Kinsella.

Boss: "At least you're very versatile, Miss Smith. I didn't know that anyone could be so inefficient in so many different ways."

Pedal Pusher Clubs announce schedule

Final arrangements are just about complete for this year's Pedal Pushers Club.

Application forms have been circulated to all students attending grades one through five, if your child does not have a form please request same from the school or pick one up from the town hall, parks and recreation office.

Registrations will be taken Friday, April 30 at 7 p.m. at Leo Nickerson and the Clubhouse. Please return all application forms at this time and date only, do not return the forms to the school.

Instructor briefing has been arranged for Sunday night, May 2 at 7 p.m. in Robert Rundle school gymnasium.

Instruction proper commences at 7 p.m. on Monday May 3 at the following locations and will last approximately one hour—St. George Simpson school, Robert Rundle school, Leo Nickerson school, Safeway, Vital Grandin school, Sir Alexander Mackenzie school.

Training for the first week will be Monday, Wednesday, Friday and for the second week Tuesday, Thursday and Saturday.

Volunteer instructors are still urgently needed, please phone Eric Robinson 599-3561 or turn up to instructor briefing on Sunday, May 2.

(This is a St. Albert Lions Club project undertaken for and on behalf of the community.)

Rabies Confirmed in Lac La Nonne area

A case of rabies has been reported in the Lac La Nonne area. Laboratory tests on a dog which bit a child April 4 have proved positive. The boy is receiving treatment in the Royal Alexandra Hospital.

The report confirms that rabies is extant in this area. Steps to control stray domestic animals are now an urgent necessity. Skunks and coyotes are being depopulated.

The general advice issued in 1970 is repeated below for the information of the public.

1. All dogs and cats should be immunized, preferably once a year.
2. All dogs and cats should wear identification tags.

3. Animals exhibiting strange behavior should be reported to the police.

4. Children should be warned not to approach or handle such animals or indeed any wild animal.

5. Medical attention should be obtained promptly when a person is bitten by an animal. If a doctor is not available, give first aid by scrubbing the wound to its full depth for 20 minutes, using a strong soap solution and frequent changes of water; then apply an antiseptic.

6. In such circumstances the animal should if at all possible be secured alive and confined for observation. Advice about suspect animals is available from the Health of Animals Branch, Canada Department of Agriculture. Wild animals should be shot through the heart, the head packed in ice (with due precautions) and sent for examination.

7. Wear heavy gloves if you have to handle a suspect animal, one that has just been bitten or in a fight, or any object a suspect animal may have drooled on.

8. Local regulations concerning restrictions on dogs must be enforced.

9. People who work with wild or possibly infected animals should be protected by immunization. (Make arrangements with the Health Unit).
J. M. Howell, M.B., D.C.H., D.P.H., Medical Officer of Health.

Newcomers

We welcome the following to St. Albert:

Mr. and Mrs. E. Willems and family; Mr. and Mrs. W. Knight and family; Mr. and Mrs. R. Pritchard and family of New Braeside.

Mr. and Mrs. A. Woertman and family of Grandin Park and Mr. and Mrs. A. Lassey of Sturgeon Heights.

A.A. meets next week

The St. Albert group, Alcoholics Anonymous, is holding a public meeting in the Legion Hall, Wednesday, May 3 at 8:30 p.m.

AA is a world wide fellowship of men and women who help each other to maintain sobriety and who offer to share their recovery experiences freely with others who may have a drinking problem.

AA wishes to co-operate with all community services where they can be of assistance to the individual seeking an answer to this problem.

J.T. Thorson to speak in Edmonton

Joseph T. Thorson, chairman of the Single Canada League and former chief justice of Canada will be in Edmonton, Tuesday, May 4 to address a number of meetings.

Mr. Thorson is scheduled to speak at the Norwegian Club, and will address a meeting in the social room of the auditorium at 8 p.m. Mr. Thorson formed the Single Canada League in 1960 and since that time has travelled across the country to put across his theme of making the country a single Canada.

ing an answer to this problem.

In the spirit of co-operation the local AA takes pleasure in inviting all those interested in the disease of alcoholism to attend the May 5 meeting.

Around Town

Blisters large, blisters small, blisters, blisters, they saw them all. A group of 16 St. Albert guides and rangers, accompanied by several of their leaders manned the St. John Ambulance first aid station at check point number three during last Sunday's Moccasin March. The girls report a busy day, caring for many sore feet.

Ken Kilpper, 8 Sunset Blvd travelled to Kamloops where he competed in last Sunday's B.C. Centennial Motorcycle races. The races drew more than 100 entries from all over the western U.S. and Canada. Ken, riding his CZ 250, placed first in the junior class.

While chatting with Mary Quintal it was nice to hear that her grandson Jason, infant son of Randy and Betty Quintal is a very good baby. Black and Mary are Joe's proud grandparents.

Mrs. Bernice Villebrun is visiting at the Adelard Paquette home while convalescing from major surgery. The family went to Legal to visit Mellina's sister Simone and family.

John Kochling was a recent visitor at his neighbor, Joe Freitag's place.

Ferdinand and Elsa enjoyed a visit at Stan and Kathleen's while Kathleen's mother Alice McNamara was visiting. It was learned that Mrs. Mina Nord, while visiting her girls in Manitoba became ill and is in Winnipeg hospital. Mina has been under doctor's care since Oscar's passing and we wish her well.

It was nice to see Mr. John Radjo looking so well since he had been in hospital recently. John and Helen were at Otto's sale as were many neighbors and friends.

Around Sturgeon

Mr. and Mrs. Joe Iseke, of Vollmer, were honored on the occasion of their 25th wedding anniversary with a supper and dance at the Velvet Room, Kingsway Legion, Edmonton, Friday, April 23. Some 40 relatives and friends gathered to help the couple celebrate this happy day.

MC was Richard Brenneis a nephew of the Isekas and the bride's toast was proposed by Ed Burley, a friend of the family.

Among out-of-town guests was Violet Gibbs, of Fort Saskatchewan, who acted as bridesmaid for Mrs. Iseke 25 years ago.

The table was centered with an attractively decorated wedding cake, and the couple was presented with a silver wedding guest book and a purse.

The couple have one daughter, Helen, son, Emil and one grandchild.

Mr. and Mrs. Iseke have left for a holiday in Banff and Jasper.

The Sturgeon Valley Mens Football League are meeting Thursday evening, the

George and Betty McLeod brought mother McLeod Russell out for a visit to her son Pete's and Connie and Becky were enjoying the farm. Also newlyweds, Allan and Gail McLeod came also and were guests at Werner Christen's home as were Pete and Liz and neighbors Ferdinand and Elsa Lischewski, newlyweds Arthur and Valerie Lischewski who had come home for a visit, and Mr. Lawrence Calahoo. George and Betty's daughter Nancy was a weekend guest at Christens'.

It is nice to hear that Gordon and Agnes Cust's infant daughter Tina Theresa is doing just fine. Her proud grandparents are Jim and Erma Cust all of Calahoo.

Stanley and Kathleen Walker were visitors at Gordon Schmermund's home

Sturgeon Valley 4H dairy

By Will Mitchell
Mrs. Harold Clark and Doug Bowman were judges when the Sturgeon Valley 4H Dairy Club held its demonstrations, April 14 at Namao school.

Distilling water was demonstrated by Alan Briggs and Mike Qwek, followed by Doug Crozier with Building a Wooden Flower Pot, Henry Van de Vliert and Doug Tolma showed How to Make a Trough and Tanning a Moose Hide was demonstrated by Chris Mickersen and Will Mitchell. The Proper Use of a Syringe and Hypodermic Needle was demonstrated by David and Brad Qwek and Karen Crozier and Marianne Mickelsen showed how to Make an Unbaked Chocolate Cake.

The judges awarded first place to Chriss and Will; Karen and Marianne placed second and David and Brad were third. Ashort business meeting followed the demonstrations.

The club toured Silverwoods Dairy last week and the club tour will be held May 8, starting at Alan Briggs.

Gibbons 4H

Winner of the side of beef in the Gibbons 4-H Light Horse Club raffle was Mr. Beagle of Gibbons.

Proceeds of the ticket sales will go towards buying matchings saddle blankets and flags to be used in parades and interclub shows.

29th in Spruce Grove, and rumor has it the league could go to 12 teams this season. Harry Atkinson, coach of Villeneuve Club, reported last week that his team is shaping up well, with lots of good prospects.

If they didn't know it before, Glen Barry and Jeanette Martel know now that they celebrate their birthdays on the same date. Both were congratulated at the dance Friday evening in Villeneuve.

SPRING INVENTORY WEEK

COURTESY OF THE ST. ALBERT & DISTRICT CHAMBER OF COMMERCE

**MAY
2-8**

The widely acclaimed "Fashion Show," St. Albert Lions style, was thoroughly enjoyed by the ladies attending the Womens' Institute Conference, held last Saturday at Club Mocombo. Frankly it must be admitted that the models drew more applause for their comely than for their appearance. They are, from left: Matt Fechter, Glen Ward, Ken Moore, Dale Moore, Dave Iseke, Gerry Kay, Roger Brunell, Larry Mitchell (horse), John Desmond, John Eberle, George Simpson.

W.I. hosts constituency conference

The annual Womens' Institute constituency conference was held at the Club Mocombo, Saturday, April 24. The St. Albert group hosted the event which was attended by more than 100 women from 10 branches. Main speakers for the day were Mrs. R. A. Leadley, constituency convener, who spoke on community involvement; Mrs. E. Lefsrud, district 2 convener, who discussed family life and involvement in W.I.; Mrs. M. Biehlis, a member of

the structural change committee reported on the work of that group.

A number of Lions Club members attended the ladies with their new famous Fashion Show skit and W.I. members also entertained.

In the handicraft competition the St. Albert group tied with Pleasantview W.I. for first place. Warspite and Jasper Place tied for second place. The judges commented on the excellent quality of work displayed.

The creation of the world is the victory of persuasion over force. -- Aeschylus

Co-op playschool ends year

The St. Albert Co-operative Playschool has concluded a most successful and rewarding year.

The group held a general meeting at the Clubhouse April 20 at which the following executive were elected: Yvonne Bull, president, phone 599-8404; vice-president Annette Deib, 599-5265 and secretary treasurer

Myrna Derieu, 599-3610. Interested parents may contact the above for further information.

Later this spring a meeting will be called at which the program for the new school year will be discussed. Time and place of this meeting to be announced in the Gazette.

Canadian Diabetic Tea

On the occasion of the 50 anniversary of the discovery of insulin, the Canadian Diabetic Association is holding a Klondike Tea at St. Paul's Anglican Church hall on May 8. Mrs. Ivor Dent will officially open the event at 2 p.m.

Proceeds will go to the Charles Best Camp for dia-

betic children, and in addition to the tea from 2-5 p.m. live entertainment will be provided and there are a number of surprise draws scheduled. Booths will feature homebaking, attic treasure books, a fish pond and other items. St. Paul's church is at 145 street and Stony Plain Road.

Bon Accord Activities

By Sadie Allen

The Northwestern Utilities plan for numbering streets, avenues and houses in the Village of Bon Accord has been adopted by the village council. Main street becomes 50th street and the avenue running east and west past the community centre is now 50th avenue. Street numbers increase going west and avenues increase going north. The council has purchased a road maintainer and Jim George is busy smoothing out all the hills and gullies brought on by the spring thaw. A coating of oil is being applied to keep the streets in good shape.

A good crowd of small hockey players and parents turned out for the junior hockey awards night and potluck supper on Sunday evening. Bob McRobbie, coach of the senior team was mc for the evening. The most valuable player awards were presented by Don Bland, (co-coach with brother Dick) to Mite player Dean Draper, Vera Knutson to pee wee

player Zack Irmen, John Zendon to bustan Peter Chubb and Tom Lewis to midgelet Gary Righthead. The boys and their coaches are to be congratulated on their good showing in the leagues.

It was a very rewarding evening for all who attended the 4H achievement program April 19. The girls put on a most interesting program, highlighted by the modelling of their own outfits. Fay Strawson was commentator for the fashion show. Mrs. Penny Wilks of the department of youth judged the girls work and was assisted by Joyce Rigney, Debra Uchacz and Fay Strawson in judging first year projects. Winners of the various awards were: Penny Carleton, first year project book, Beth Lewis, for second year project book Lydia Uchacz, best display, Marsha Rigney for best sewing, and Marsha Rigney top achiever. Leaders Mrs. Dorothy Rigney and Mrs. Rita Milligan presented the first year girls with 4H pins

and the rest with silver coffee spoons. 4H members are first year: Penny Carleton, Marsha Rigney, Janine Lampkin and Valerie Irmen. Second year Val Reynolds, Florence McKay, Lydia Uchacz and Beth Lewis. Third year, Debra Uchacz and Fay Strawson, sixth year Joyce Rigney. The girls and their leaders then served delicious strawberry shortcake and coffee to all.

The first session of the baseball coaches clinic conducted by Jim Lotlian, was held on April 19 in the community centre. Representatives from Bon Accord Gibbons, Horse Hill, and Namao found the clinic interesting and hopefully, beneficial. The next session will be May 4 with the Bon Accord bantam boys in attendance for demonstration on the ball diamond.

The Cub and Scout executive met at the home of Tom Brown Tuesday, April 20 to finalize plans for the cub camp-out scheduled for May 7, 8, 9.

A Red Cross Blood Donor Clinic is to be held in the Bon Accord Community Centre on May 6 from 6:30 to 9:30 p.m. The committee organizing the clinic, are planning on giving all donors numbers as they come in, so that instead of waiting in line, they may go to the basement and have coffee without losing their turn. There will be supervised babysitting for children of all ages in the clubroom. If you have no transportation, that too, will be arranged. Remember to keep May 6 open. The pint you give may save a life. The clinic is sponsored by Cadet Squadron #524.

Painting anyone? Adult art classes are held in the art room at Bon Accord School with instruction by Mrs. Loken from Edmonton. If you would like to see what is happening, why not drop in on Thursday evening. You may contact Mrs. Jean Chubb at 298-2231 for further information. They are looking for a few more art enthusiasts for the class next fall.

Congratulations to Mr. and Mrs. Harry Pengelly on their 50th wedding anniversary. Harry came to the district from England when he was six years old. His wife Eva was born and raised in the Cardiff district. Upon their marriage they lived in Bon Accord for two years then moved out to their farm where they lived until 1969 when they returned to Bon Accord. They have two daughters, Bernice of Bon Accord and Jean of California.

4H Speak-offs

By Judy Kehlert

The North-West Region Public Speaking (South section) finals were held on Friday, April 23, at the Spruce Grove Serplex. Ten finalists from Strathcona, Sturgeon, Edson, Leduc and Parkland competed.

The top three speakers were Dianne Sheehan from Villeneuve Clothing Club, Barbara Smith from the Duffield Clothing Club and Donald Teeuwse from Ardrossan Beef Club.

George Gould of Sherritt Gordon Mines Ltd. presented the trophies and certificates.

The two winners from this competition will compete in the Northern Alberta Public Speaking finals held in Edmonton on May 29, 1971.

Living high off the hog!

USING ELECTRICITY TO INCREASE YOUR PROFIT is today's brightest idea! Electricity reduces costs in materials handling, labor, and feed processing, and produces environmental controls that encourage better production. Heat is important, and maintaining the ideal temperature in your barn is easy. Floor heating cable and infra-red heaters mean controlled heat where you want it. Mechanical feeders triggered by time switches cut labor costs; manure disposal working on a liquid manure pump system also saves time and money -- and solves an age-old cleaning problem! Ventilation, lighting and mechanized materials handling -- all running smoothly on electricity -- can cut your production costs -- and get you living 'high off the hog'! Call or write your Calgary Power representative for our brochure 'Electric Power & Hog Production.'

News from Namao School and Community League

The annual meeting of the league which was well attended, was held on April 19 in the Namao school with Mr. Don Potter chairman and Mrs. Dorene Pearce recording secretary.

Mr. Larry Paul, a director on the recreation board, explained the Provincial Recreation Act which provides for a recreational grant. Mr. H. E. Paul, school trustee for the Namao area, explained how the act could affect the Namao School. This created a great deal of interest and the meeting directed the executive to contact all clubs and organizations in the Namao area to investigate needs where this grant could be used.

An election of officers was held with the following slate elected for 1971-72: President - Clayton Crozier; secretary-treasurer - Mrs. Dorene Pearce; past president - Donald Potter; chairman of ball committee - Leo Huber; chairman of Horse Show committee - Marshall Davis; hockey representative to Airbase - Reg Crozier; concession - Mrs. Laura Potter; directors - Dave Owilliam, George Mullen, Glen Gabbey, Bud Horricks. Principal, Namao School - Mr. Bill Tanasulch was served following the meeting.

A follow-up executive meeting was held April 26. Leo Huber reported that the ball committee is organized with four members - Mr. Don Speers, Mr. Ken Rye, Mrs. Betty Crozier, Mrs. Vera Huber.

Coaches and assistants - Mr. Bob Stanton, Mr. Don Griffiths, Mr. Jack Pearce, Mr. Don Speers, Mr. Hugh Craig, Mr. Tom Powell, Mr. Dave Owilliam, Mr. Byron Shultz, Mrs. Vera Huber, Mrs. Betty Crozier, Mrs. Mari Friedel, Mrs. Evelyn Griffiths, Mr. Bob Kindeleman, Mr. Keith Reed, Mr. George Mullen, Mr. Wayne Potter, Mr. Max Yeske.

There is a ball team for every age group - anyone interested may contact Mr. Leo Huber, 799-3849.

M Czarneski

passes

Green Willow district was saddened by the news of the passing of Mike Czarneski, Saturday, April 24.

Mr. Czarneski had been visiting friends and neighbors in the area and was on his way to the Union Bus Depot, Edmonton, with Alex Harter, a former resident of the area who was returning to his home in Vancouver, when he suffered an apparent heart seizure and lost control of his car. The ensuing collision resulted in the death of Mr. Czarneski, and chest injuries to his wife, Martha.

Mr. Czarneski leaves his wife, one son, Edwin; two daughters, Hilda and Ruth.

20 - ST. ALBERT & STURGEON GAZETTE, WEDNESDAY, APRIL 28, 1971.

A ball tournament is planned for June 11.

Mr. Marshall Davis has no Horse Show committee as yet but he is calling a meeting soon, for all those who might be interested in forming a gymkana club in Namao. He may be contacted at 799-3964.

The Namao Horse Show will be held on June 13.

A membership drive is presently underway, with memberships available at \$2 each from any members of the executive or their wives.

A meeting is being planned by the community league executive with representatives from each organization in the Namao school

Green Willow farmers receive certificates

Three young farmers took advantage of the soil testing and fertilizer seminar, offered by Sherritt Gordon.

Roy Schimmermund, Marcel Kerkhof and Rudy Christen attended the eight week course, held Wednesdays at Fort Saskatchewan. The men were also taken on a guided tour of the plant, where they saw silver coils being made and were given a free sample.

The men were awarded certificates showing they have successfully completed this course.

area. There will be a representative from the department of youth present for further information on the Provincial Recreation Act. No decisions will be made, it is to be informative only.

A Klondike dance is planned for the first Saturday of Klondike Days. Keep this date open - there will be a limited number of tickets sold.

Anyone interested further in any of the league's activities may contact any of the executive.

Legal Locals

The Legal midgets won the cup at the Westlock Midget B tournament held recently.

In the first game Legal defeated Dapp by a score of 10 - 1 and they came up on top once again for their second game played against Athabasca defeating them by a 9 - 1 score.

A retreat will be held at the St. Albert Retreat House for men, women and teenagers from April 30 to May 3. For information contact August Kieser.

If you don't know how to spend Saturday night here is the answer. The movie "Time to Sing" with Hank Williams Jr. will be shown at the Legal Community Hall at 8 p.m. May 1st.

Maintenance Supervisor
Sturgeon School Division No. 24
Box 510
Morinville, Alberta.

The Intermediate sewing course, sponsored by the CWL, concluded Thursday, April 15.

An array of fabrics in spring colors were made into slacks suits, jumpsuits and dresses.

Taking part in the course were Jeannette Zilinski, Denise Cyr, Doreen Cornelis, Debbie Allen, Lucy Montpetit, Cecile Proulx, Bernice Mercler, Jeannette Cornelis, Louise Borzak, Doreen Champagne, Grace Zilinski, Rita Laframboise.

The Diocesan members of the Liturgical committee will be here on April 30 at the recreation centre at 9 p.m. to explain to all adults the new Liturgy of Baptism.

It is very important that all parents be there to experience the great change in the administration of baptism.

The playschool children will delight their parents, friends and relatives with their culmination concert on April 29 at 8 p.m. at the rec. centre. Everyone is welcome to attend especially the youngsters that will attend next year.

The MFC were pleased to welcome the diocesan committee last Thursday at the rec. centre. A good number of members were present to welcome and get acquainted with the president Mrs. Dal-laire, vice president Mrs. Goulin and Mrs. Lord the secretary. The ladies had the opportunity to chat with the executive and were free to ask questions on anything concerning the movement. The president invited everyone to attend the convention that will be held in November at Mallaga.

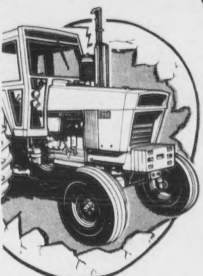

The parishioners were delighted to hear a young choir from St. Paul sing the Saturday and Sunday masses. The choir is under the direction of Sister Maj-eau. Before returning to St. Paul Sunday the group had a welner roast at the camp-site. Special thanks are extended to all the families who welcomed them so warmly in their homes over night. The 30 students travelled to Legal by bus, driven by Mr. Jean.

Mrs. Roland Prefontaine and Mrs. Germain Auger underwent surgery last week. Cat well wishes are extended to them also to Mrs. L. Champagne and Mrs. Stella Champagne who are back home recovering after spending sometime in the hospital.

Les Femmes Chretiennes will hold their next meeting on May 3, Father Primeau

Diocesan Chaplain will be guest speaker.
